Letter from the Officers

When we took office this year we knew we had the opportunity to do something special, we saw that our chapters were flourishing, so we decided to allow them to compete in a friendly competition. We have created the Colonneh cup to allow chapters to work as a team to push the boundaries of the lodge to places it has never gone before. We have also created an opportunity for the lodge to give service to the camp that has hosted many of our lodge and counsel camps throughout the years. Working with our chapters, we will divide and conquer service projects across the camp, pushing ourselves to make the camp better for the future of scouting in the Sam Houston Area. We will also be engaging in competitive activities in the afternoon. This weekend will offer a great time for all participants!

In this guide, you will find information regarding the program, logistics, and policies of Pow Wow 2018. We hope you will use this guide to make the most of your experience. Whether your helping with a service project, playing a game of dodgeball or just being with your fellow Arrowman, we are sure you will have a great time!

Yours in Service,

Ethan Roberts Lodge Chief	Tyler Green LVC-Admin	Reed Czarny LVC- Program
